Bus Simulator 18 features exciting expansion with 4K graphics and the latest version of the famous Vislab simulation engine. In the main game the player takes the wheel of the free-roaming bus and controls its way through large and varied game worlds. A variety of bus types and licenses as well as new functions such as an automatic door and multiple weather effects can be used to spice up your bus in Bus Simulator 18. Bus Simulator 18 also introduces a plethora of new features: 2 original bus models provided by MSCOFT Unlimited generated buses to be your personal touch Includes the creation of 40 new bus stops and maintenance areas The development of the complete bus network using the powerful RPG Editor A whole new selection of bus stops And of course our favourite, the introduction of our dutch mascot in Bus Simulator 18 Take a look at our Youtube channel for numerous videos

about Bus Simulator and the official map extension. *****
