[Download](#)

Resident Evil. Capcom USA Inc. PS4. 1 player. Supports remote playback. Dualshock 4 with vibration. Check out the remastered HD version of Resident Evil. If this is your first time on PS4, you will be familiar with the gameplay elements: - character control using the touch screen - player movement recognition system - the ability to interact with objects to find objects and solve puzzles - a camera mode in which you can control the player with Widely regarded as a masterpiece, this remake of the first installment in the long-running Resident Evil series is now available in HD. Experience real horror in . Unlike the original Resident Evil, in the new game we can play as Mia, who, unfortunately, cannot shoot and cannot use melee weapons, so we have to rely on our faithful comrades such as Chris, Leon or Claire. In the second part of the game, we face many new enemies, such as giant wall-crawling spiders and tentacled zombies trying to catch us alive. And also there are new types of enemies.
